Empowering Abilities

Community Options empowers people with intellectual and developmental disabilities to live the most meaningful, independent and full life they can.

The non-profit Community Options, Inc. has been supporting our region for over 40 years.

We serve nearly 500 infants, children and adults throughout the six counties of Montrose, Delta, Gunnison, Ouray, San Miguel and Hinsdale.

Our amazing staff provides a range of services for our clients and their families from service coordination, to day programs, to full 24-hour care — each with the goal of empowering the client’s personal abilities to their fullest.

We support the individual.

We support the families.

We support our community.

PARK PLACE BUILDING & REMODELING PROJECT

We are moving from multiple buildings to a new site where all regional services can be coordinated. For the first time, we will host our employees and our clients on the same site. This new facility, on North Park Ave in Montrose, also contains a feature we have never had before – an outdoor environment for both our employees and clients to enjoy.

This move is an opportunity for Community Options to *re-invent, re-think and re-energize* – in a way that will benefit our community and those we serve, now and into the future.

WE NEED YOUR HELP

We have launched a capital campaign to raise a portion of the funding for the Park Place Building & Remodeling Project.

With your help, we can make this a reality for our community.

DONATIONS ARE TAX-DEDUCTIBLE

Donations to the capital campaign qualify for an additional Enterprise Zone Credit (a Colorado State Tax Credit of 25% for monetary donations and 12.5% for in-kind goods).
